ABOUT COMMUNITY PARTNERS FOR AFFORDABLE HOUSING

Community Partners for Affordable Housing (CPAH) is a nonprofit organization that develops affordable housing and provides services that empower individuals and families to secure and retain quality housing. Our vision is threefold: (1) thriving communities, (2) successful residents, and (3) a diverse range of housing to ensure everyone has a place to call home.

PURPOSE & BENEFITS

The purpose of CPAH's homebuyer programs is to increase affordable homeownership opportunities for low-income households in Lake County through a 3-pronged approach that includes financial assistance, education and counseling in order to remove many of the barriers to purchasing a home and maintaining successful homeownership. Our programs:

- Lower upfront out of pocket costs
- Empower buyers to navigate the complex home-buying process
- Assist buyers in overcoming credit and debt issues
- Provide post-purchase intervention to prevent default and foreclosure

HOW THE PURCHASE ASSISTANCE WORKS

Depending on household need, qualified buyers will be provided up to 5% of the purchase price to offset the down payment and closing costs. Buyers that have enough liquid assets to afford 20% of the purchase price will be required to demonstrate the need for down payment assistance. Those files will be reviewed on a case-by-case basis. **In select cases, assistance may be used to "buy down" interest rates. The type of assistance (downpayment vs. buy down) will be evaluated on a case-by-case basis with the goal of providing maximum benefit to the homebuyer.** Assistance is provided in the form of an interest-free deferred loan, forgiven at a rate of 1/60th every month starting 60 days after closing, and fully forgiven after five years plus 60 days in the property. The assistance will become immediately due and payable if any of these circumstances occur prior to 5 years plus 60 days: sale, cash out refinance, voluntary or

involuntary transfer of title, failure to owner-occupy the property as his/her primary residence or discovery of fraudulent information provided during the application and closing process.

SUBORDINATIONS OF SUBORDINATE MORTGAGES

Lake County processes all subordinations. CPAH mortgages may be subordinated under the following conditions, assuming all appropriate documents are provided on a timely basis.

- The borrower takes out no cash.
- The refinancing is for a lower interest rate than the existing first mortgage.
- The borrower's new monthly mortgage payment (including principal and interest) will be less than the current monthly payment. At staff's discretion, exceptions may be considered for homeowners refinancing out of an adjustable-rate mortgage or into a lower term mortgage.
- The borrower's new loan amount will be less than the current loan amount.
- The new mortgage must be for a fixed interest loan. The County will not subordinate to an adjustable-rate mortgage (ARM).
- A quit claim deed must be issued if a borrower is no longer on the mortgage.

APPLICATION SUBMISSION PROCEDURES

- a) *Required Documentation at Initial Application Submission:* A complete application package must be submitted **15 business days** prior to closing. **No exceptions.**
Please note: Loan processing will not begin until all documents outlined on the top half of CPAH's *Loan Transmittal Checklist* have been received. **Please submit application package in the order of the checklist.** Outdated financial documentation, unsigned documents or even one piece of missing information constitutes an incomplete application submission—this will cause delays and prevent your loan from closing on the desired date. Within 3 business days of submission, CPAH will notify the lender representative via email if an application package is incomplete and list the documentation still needed.
- b) *E-Signature Documents:* E-signatures are accepted on any CPAH forms.
- c) *Incomplete or Ineligible Applications:* CPAH will review the application package within 3 business days of receipt. If the application is incomplete, the lender will receive correspondence via email stating the items needed. If the application is ineligible, CPAH will notify the lender via email and terminate the file.
- d) *Funds Reservation Approval Letter:* CPAH's underwriting staff will review your complete application submission within 3 business days. Delays may occur depending on volume of file submissions. If the buyer is eligible for assistance, a Funds Reservation Approval Letter will be issued that confirms eligibility and states the amount of assistance to be awarded. Funds will be reserved for 60 days; extensions may be granted at the discretion of CPAH.
- e) *Home Inspection Review:* Lenders and buyers will receive a letter stating repairs that are required prior to closing. Proof of repairs will be required. **Acceptable forms of proof are:**
1) Reinspection by a licensed home inspector in Illinois or Wisconsin. Inspector will need to provide a letter to CPAH confirming the required repairs have been completed.
2) Professional invoice from the contractor that completed the required repairs. Invoice must specifically state the repair item called on by CPAH.
Photos alone are not acceptable forms of proof and will not be accepted.
- f) *Required Documentation 2 Business Days Prior to Closing:* All pending documentation as outlined on CPAH's Lender Transmittal Checklist must be submitted no later than 2 business days prior to closing. Incomplete, outdated or unsigned documentation will constitute an incomplete submission and create delays.
- g) *Loan Closing:* **A minimum of two business days' notice is required for all closings – no exceptions.**
CPAH will coordinate with the lender to ensure the documents and funding are at the closing table. CPAH funds are wired to the title company (*CPAH will cover the wire fee, if applicable - please refer to page 3, item (k)*). Our mortgage and note will be submitted to the title company electronically. If you prefer to avoid having this cost (if applicable) passed on to the buyer, please inform CPAH staff that you wish to pick up the closing documents at our main office. Lenders that choose to have CPAH courier or FedEx/UPS the closing package must do so at their own expense.

- h) *Pre-Application Questions*: Lenders that are unsure if a borrower or property will qualify for assistance are strongly encouraged to discuss their file with CPAH prior to submission. While CPAH is unable to offer a formal written assessment, we will discuss our understanding of what you can expect based on the information we have available to us at the time.

PROGRAM INVESTORS

Funding for CPAH's homebuyer programs has historically come from a variety of federal, state and local government sources. We cannot predict which investor will fund any particular loan. Sometimes multiple funding sources are paired together for a buyer in order to stretch limited resources. Each funding source becomes available at different times in the year, and the eligibility guidelines and rules vary slightly with each funding source. CPAH is subject to changing guidelines from investors. While we cannot prevent or control these changes, we can and do pledge to inform you of any changes promptly, and to continue to stand as the liaison and advocate for our borrowers and lender partners.

EQUAL OPPORTUNITY

No person with a valid social security number in the United States shall on the grounds of race, ethnicity, color, national origin, religion, sexual orientation, gender identity or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under this program.

PROGRAM GUIDELINES SUBJECT TO CHANGE

Program guidelines are subject to change without notice if so necessitated by new requirements set forth by the CPAH Board of Directors or the program investors.

CPAH'S ALLOWABLE DISCRETION

At any point in the transaction, CPAH may choose not to provide financing if it is determined that any party of the transaction has behaved in a manner or presented information that is in any way deceptive or undermining of either the letter or spirit of our program guidelines. Any such persons or companies may be banned from working with CPAH in the future.
